- The preschooler nappers slept outside over 25 times
- Lots of picnic's!
- 10 or more water days!
- 1 outside football and yoga session with CFL Rookie Shai Ross
- 10 Bike Days!
- 600 hours were logged outside by our groups, from June 1<sup>st</sup> to August 31<sup>st</sup>! We are almost at our 1000 hours goal!

## THANK YOU!!!!!!!!!!!!!!!!!!!!

We would like to truly thank our families for being so fantastic and patient while we learn about this new normal. We have been following our guidelines set out for us by public health and the government. We will continue to closely monitor these guidelines and notify you as soon as possible if there are any changes.

Thank you to those who have supported our Farmers Market! We have made \$59 to put toward our garden next year!

## Lockers

**You may notice a change in your child's locker location. We are trying to keep family's items from home together as much as possible. We are fortunate right now to be able to provide some separation between lockers. Please ensure to only bring necessary items to the center, no toys from home are welcome right now. Thank you.**
