June

Summer Calendar coming soon!

Thanks Audettes, Halama's and Jenner's for all of your generous donations this month!

This past month of the third wave of the pandemic has been hard for many. We appreciate how cooperative our families have been. It is because of this communication and your efforts that we are able to continue caring for the families of Gillis Play and Learn Centre.

Thank you for your participation, support, and determination to keep our center a safe space for all the families and staff. We are so lucky to have great families like you!

Sunshine and summertime is the goals for the next few months! Please ensure with your child has:

- A hat
- A waterbottle
- Sunscreen
- Extra clothes or bathing suit for water play
- A sweater

We are all looking forward to spending the summer outside. **We will have the summer calendar ready for you in a few weeks.** Watch for it in your emails, Facebook and Instagram.

Our 50/50 draw raise \$1,171.00 for the center. Thank you too all the families who participated!

Janet P was the winner of the other half.

Our Garden might look a little different this year!

We are taking a break from planting and harvesting this year and are creating a new sensory experience! Take a peek when you come to pick up and we will be posting updates on FB and Instagram as the summer progresses.

Seesaw Starting this month! **FINALLY!!!** We are so excited to get started.
