## THANK YOU FOR THE DONATIONS

Thank you to those that have made donations or toys or supplies in the last few months. This helps to keep our toys selection “fresh” and our budget down.

One donation we received recently was 3 Ipads. These will be used in the rooms for exploratory and educational uses. We can not wait to explore with these. Our plan is to use these Ipads to create journals for each child that can be shared instantly with our families. Stay tuned for more information!

**Winter is coming! Please send lots of extra clothes**
